
River fishing for Salmon

Posted by Jeff Jones - 2006/09/20 18:18

Anybody been out in the rivers for Salmon yet?

I haven't been, but have pulled over a few Chicagoan's headed home from the Pere Marquette that still had huge gapping smiles from the great fishing up there.

O and BTW, congratulate Pluie and Brack when you see them. They won their clubs Cabela's Walleye Tournament Qualifying event last weekend and will be headed to the big Cabela's tournament next year!
