
ice-fishing

Posted by Jeremy Derksen - 2006/12/09 18:59

its that time of year again. hoping for lots of good ice-fishing. anyone interested in putting together another trip up north? maybe we could drive through the storm of the century again. all we need is our lakes to freeze.

I heard you could fish the rivers of the eastern U.P. in January. :blink:

I think you guys are nuts. Sitting on a slab of frozen water just to catch a little whitefish...
