## Access for members of other DSA's?

Hi,

My name is Deputy Victor Vandertol, I am the Vice-President of the Mecosta County DSA.

I was wondering if you allowed access to your site from members of DSA's outside of Ottawa county? You have some great articles on your site and would like to read some of them, but you have to be a member to read all of the text.

I can provide any information needed to authenticate my identity.

You can also contact me at the Mecosta County Sherrif's Office at 231 592 0150.

Thanks

Deputy Victor Vandertol

Hi Victor,

I am the admin of the site and an EB trustee, BTW. When we first built the site we pretty much just envisioned it as a resource for our members, but because of requests like yours I am working on making the site more inclusive to others in the LE community.

I hope to have some of those changes in place before the end of the month, and I will email you to let you know. Thanks for stopping by.

Hi Victor.

Just a quick thank you for visiting and posting. As President of our Union I would like nothing more than to be able to include other Unions. I will work with Jeff Jones on this issue and we will email you when we have something up and running. Does your Union have a website? If not, you may want to speak with Jeff, as he designed this site.

Thank you again for your interest and stay safe.

Hey Victor,

It's Eric Smith from like 2 seats over in the Academy.

For the rest of you, Victor is also a former (Ottawa Co.)Allendale Resident, and a very nice guy.

This website has been a great resource, and I think that the employees that use the forums and read the updates from the board are much wiser to what is going around them than those that don't.

I think it would be neat to have a general area where other associations could communicate with each other and offer assistance w/ issues.

see ya,

E

Thanks Dewey.

I find it cool though that the site is bringing in other agencies, and I look forward to having the opportunity to hear more about how other agencies are operating.

Looks like my hopes for access will be denied because I am going to have to admit that I know Eric.

Good to hear from you Eric, drop me an email sometime. Next time I'm in Allendale we'll have to hook up for a beer somewhere.

Stay Safe.

Well, despite acknowledging Eric as a buddy from academy, you guys still let me register! Of course you could always ban me, but what fun would that be?

Thanks for the access.

Stay Safe
