Well it was a success!!!! 4 guys and 18 bear were seen. I ended up with this pretty little lady and a doe. What a riot, awesome weather and 300 miles on each quad (yea my a\$\$ is sore). The bear ended up weighing just under 190#'s and only ran about 30 yards.

Here is the little tent we put up

Here is when the fuel pump went out on my quad and it took 45 minutes for the rest of the group to figure out I was gone
