## Sgt. Ditmar home repair.

Hey gang. I spoke with Sgt. Ditmar and he agreed to allow me to post his info. Jon has been doing home repairs for several years. This includes framing, plumbing/bathroom, tile jobs, etc. He said if anyone was interested in hiring him to shoot him an email. He did tile work at "my" place and the job turned out great! Very happy with his work.

I heard he did tile a Kathy's place too. Do you know if she was happy with the work Matt?

I don't have Sgt. Ditmars email but could someone pass along that since I'm getting married in September my future wife has put a rush on me finishing the drywall and mudding on my entire upstairs. If he is interested have him give me a call. Or anyone else that is interested.
