Hello guys, this is former intern from the summer of 2007 Jordan Cadahia. I have been granted the opportunity to be a reserve for OCSD, therefore i am looking to buy some gear. It doesn't have to be brand new stuff but functional with no major visual defects. I don't know if anyone has some gear sitting around their house that they don't need anymore and would like to sell. Any assistance would be great before i go down to Nye's and buy the stuff. A list is provided below of the stuff that i need:

1. Glock Model 22, 40 caliber with 8 LB New York trigger
2. Duty belt
3. Four belt keepers
4. Mace holder
5. Handcuff holder
7. Mag-Light holder
9. Double magazine holder
10. Latex glove holder
11. Holster – Safariland Top Gun Model 200
12. Pants (34 waiste or so)
13. Shirts - one short and one long sleeve
14. Hat - official uniform and winter cap
15. OCS gold collar brass (2)
16. Name tag (brushed brass with blue letters)
17. Tie
18. Tie clip
20. Black gloves
21. Black shoes/boots
22. Bulletproof vest – MF8 Level II is usually purchased. (I was told that "second chance vest" (i think that is the name) will be there to fit me if i choose one of theirs for \$450, that sounds like a good deal so i'll probably go with that. I'm not sure how much a vest usually runs but that doesn't sound too bad).

Thanks alot, you can contact me at [jordancada@sbcglobal.net](mailto:jordancada@sbcglobal.net) or my cell number is 915-1777.

Thank you,  
Jordan Cadahia
