
Sand Blasting

Posted by wade vanbragt - 2008/03/31 14:29

I have some farm equipment that needs blasting. I recall someone mentioning they knew someone who did work cheap, I cant recall who. If anyone knows of a person or garage with reasonable rates, let me know....thanks

I'll take the guys info from the fire dept. I do have access to one like hammers but I'm looking for a commercial size one. If you can pm me with the guys info I'd appreciate.
