
Motorola Nextel/Sprint I870

Posted by wade vanbragt - 2008/06/08 20:17

I joined Chads circle and left Nextel. I am selling my I870 phone and charger. It's a higher end phone with camera and mp3 player. I seen these selling between \$75.00 to \$100 on Ebay so I'm offering it here for \$75.00

If you have an old crummy phone here is your chance to upgrade.

Wade
