
auto detailing

We just had our mini-van (yes, I drive a mini-van now) detailed after 3 years of kids dropping everything under the sun on the floor and seats. To say the least, the thing was trashed. Kat heard that Alan VandenBosch, juvy probation officer, did detailing, so she gave him a call. We just picked it up and it is great! He and his wife did a super job! Spoke to him about doing other peoples vehicles and he said he would be willing to take on a few more jobs. So if you are looking for some detailing for your vehicle for a very reasonable price, please give him a try. You wont be disappointed! If you need his number, get with us.
